

TEDDY BEAR COLLAGE

Instructions

- Download the template on to an A4 sheet of paper.
- On the back of the printed template, paint colours all over the paper with large brush strokes and/or patterns.
- Completely cover the page in colour.
- Once dry, turn the page over and cut around all the teddy bear shapes.
- Take a blank piece of paper and arrange the shapes into a teddy bear.
- Glue the shapes onto the paper by covering the blank side with your glue stick.
- You can add more scenery to your collage, by cutting leaves, grass or a sun cut from the left-over scraps.
- Or you can add other materials such as leaves, ribbon or cotton wool to add extra texture to your collage.
